New Orleans Tour Update From Paul

We have a decent squad signed up for our October trip to New Orleans, but we still have room for a few more players. We are particularly interested in signing a few more backs.... I have a few extra spots reserved on our booking for flights and hotel but they will expire if we don't fill them (and pay for them in full) by the end of August. Still interested in signing up? Contact me soon! Paul Eby (peby@uvic.ca)
