**Ebbtide RFC “THE GAMES BEGIN”**

**October 29th Ebbtide RFC vs EverLegends at Brookton Oval in Stanley Park**

We travelled to Vancouver to play the Evergreens / Legends/SOB/ Abby/ some Calgary “DPs” to add to the mix. With the assistance of the Snowcaps we put up a solid effort but lost to them, as usual we lost a player due to an open field tackle. Deryl broke through their defence and was heading for the end zone with us in deep support when he was tackle and suffered a broken foot. After another 45 minute delay waiting for the Paramedics we restarted the game and after another 15 minutes we called it a day. Deryl was named Man of Match for his hard work all day before his break. After the hosting I traveled to St Paul's Hospital to check in on Deryl condition, he was well taken care of and given a temporary cast to get him home to Victoria on the 9 pm ferry. I understand he had surgery on the following Friday and is doing well.

Nov 5<sup>th</sup> Ebb Tide RFC vs SOB at McDonald Park

The SOB travelled to Victoria with numbers and we played them to a 0-0 tie followup with a Man of the Match boat race ( Tied) then a Five Man Boat Race to decide the outcome (Tied) so other than some Bumps and Bruises it was a good outcome . We suffered no major injuries so it looks like 3 games is the Charm. Thanks to Dave Valentine for refereeing and Tim for organizing the Pizza, we hosted and supported JBAA bar well it was a good first home game
